

Engage

As a WiCyS Annual Conference Sponsor

WICYS 2021 • SEPTEMBER 8-10 • DENVER, CO

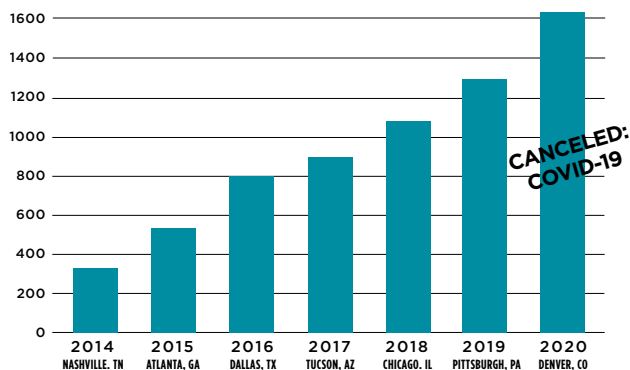

Each year, WiCyS, the premier event to recruit, retain and advance women in cybersecurity, brings together students and professionals from academia, research and industry, to share knowledge and experience, network, learn and mentor. Of the 1,600+ expected conference participants, approximately half are students who would have successfully qualified for a scholarship to attend (including lodging, subsidized registration and meals).

If your interest is to recruit or mentor top cybersecurity talent, gain recognition as a leader in workforce diversity, and build meaningful relationships with students, mentors, academia, government and industry, the WiCyS Conference is the place to be. It's an intimate and exciting environment where results happen.

Sponsors at the Silver and higher level receive a booth, branding and recognition, and access to the resume database of attendees. Your organization will be recognized on the Conference website, the mobile app and onsite at the Conference. Your sponsorship also entitles you to advance notice of registration opening.

WiCys 2020 ATTENDEES (CANCELED: COVID-19)

To learn more, visit wicys.org/conference

Women in CyberSecurity (WiCyS) is the premier organization with international reach dedicated to bringing together women in cybersecurity from academia, research and industry to share knowledge, experience, networking and mentoring.

Initiated in 2013 by Dr. Ambareen Siraj of Tennessee Tech University through a National Science Foundation grant, WiCyS has become a non-profit organization offering many benefits for its members.

The WiCyS Conference is an excellent opportunity for companies to connect with women students and professional candidates to recruit them into cybersecurity jobs! More than half the attendees are students seeking opportunities who have been accepted through the WiCyS scholarship program that sponsorships help to support.

QUOTABLE

“We rely on the WiCyS Conference to recruit the top talent. This year was no different, participating virtually {during WiCyS Virtual 20}. Our team was able to accelerate our interviews immediately following the virtual introductions and we’ve already extended offers and received acceptances. Thank you so much for allowing this year’s conference to take place in such a creative fashion!”
