

Women in CyberSecurity (WiCyS) ANNUAL CONFERENCE

September 8-10, 2021 • Denver, Colorado

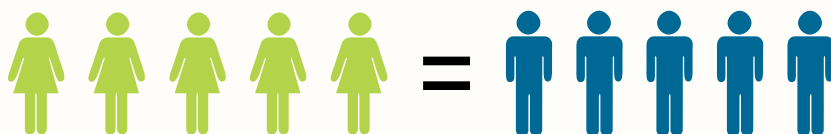

The world's only international cybersecurity conference with equal representation of students and professionals

WiCyS is a 501(c)(3) nonprofit with an international reach dedicated to the inclusive community within the cybersecurity workforce. The 8th annual WiCyS conference brings together women, allies and advocates from academia, research, government, and industry to make opportunities happen through learning, networking, recruiting, sharing, connecting, and more.

Together, we can change this:

To this:

WiCyS is the
premier event
to RECRUIT,
RETAIN and
ADVANCE
women in
cybersecurity.
