

## How to Upload your Vaccination Card to Aura

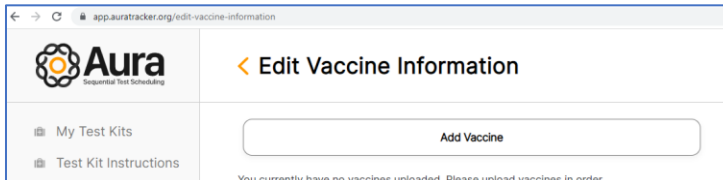

1. **Sign In to Aura** with your login information through your web browser or application

2. In the **My Aura** tab, Select **My Vaccine Info**

3. Click **Add Vaccine** for every dose of the vaccination you have received

4. Input **Vaccine Type**, **Dose Date** and **Lot Number** and **Upload Vaccine Card** image from images library in desktop or smartphone. Click **Submit**.

- Once complete, you will see a list of your individual vaccination doses inputted. Click **View** to see the image uploaded of your card.
