As a WiCyS Strategic Partner

Champion the cause of recruiting, retaining and advancing women in cybersecurity by becoming a WiCyS Strategic Partner! Your contributions are key to supporting WiCyS' year-round activities and helping women everywhere achieve their career goals in the cybersecurity field. Only WiCyS Strategic Partners may access and post to the year-round WiCyS Job Board++—an exclusive benefit! Strategic partner contributions are annual.

Women in CyberSecurity (WiCyS) is the premier organization with international reach dedicated to bringing together women in cybersecurity from academia, research and industry to share knowledge, experience, networking and mentoring.

Initiated in 2013 by Dr. Ambareen Siraj of Tennessee Tech University through a National Science Foundation grant, WiCyS has become a nonprofit organization offering many benefits for its members.

The WiCyS Conference is an excellent opportunity for companies to connect with women students and professional candidates to recruit them into cybersecurity jobs! More than half the attendees are students seeking opportunities who have been accepted through the WiCyS scholarship program that sponsorships help to support.

Contact info@wicys.org for details.
