

WiCyS MENTORSHIP PROGRAM

Calling All Mentees

Whomever you are and wherever you are in your cybersecurity career, your WiCyS community is here to support you as you march forward. We are all continual learners, and being engaged in a meaningful mentoring relationship can only help you sharpen your professional development skills, remain focused on intentional career outcomes and open your mind to new ideas and possibilities! The 9-month program is designed to upskill and up level women in areas such as influence, negotiation, leadership, work/life harmony, communication, and much more to prepare for the next stage in your career.

MENTEE BENEFITS

- Career Advancement (all levels)
- Meaningful Relationship Development
- CyberGEN.IQ Assessment
- Goal Setting Exercises
- Resume Best Practices Webinar
- Access to Resume Review Sessions

EXPECTATIONS OF MENTEES:

Commit to the 9-month mentorship program, meet with an assigned mentor in a group cohort setting for a minimum of once a month, engage with materials/resources provided by the mentor prior to each meeting, and participate in periodic surveys and program dissemination efforts.

Calling All Mentors

We know navigating through your thriving career has had some hiccups, bumps and challenges along the way. And we also know that you have not only survived them but thrived! Your guidance, support and experience are needed by so many. No matter where you are in your cybersecurity career journey, your milestones will make a difference in a WiCyS member's life. We will host a kick-off webinar and provide a curriculum to adequately prepare you for the monthly meetings with your mentee cohort. The commitment is minimal (2-3 hrs a month), but the reward of impacting lives is priceless!

MENTOR BENEFITS

- Develop and strengthen leadership skills through mentoring the mentor sessions
- CPE Credits (ISC2 and GIAC)
- CyberGEN.IQ Assessment
- Eligible to apply for a Mentorship Grant to attend WiCyS 2024
- Mentor of the Year Award
- Resume Review Sessions

EXPECTATIONS OF MENTORS:

Commit to the 9-month mentor/mentee program, meet with assigned mentees in a virtual cohort setting for a minimum of once a month, engage with materials/resources provided by WiCyS Global, and submit session feedback surveys in the Together platform.

Join WiCyS for a 9-month structured framework and curriculum in a group cohort setting!

Enrollment closes March 22.
