Initiated in 2013 by Dr. Ambareen Siraj through a National Science Foundation grant awarded to Tennessee Tech University, WiCyS has become a nonprofit organization offering many benefits for its members.

**The WiCyS Conference** is an excellent opportunity for companies to connect with female students and professional candidates to recruit them into cybersecurity jobs! More than half the attendees are students seeking opportunities, who have been accepted through the WiCyS scholarship program that sponsorships help to support.
